

Mrs Williams

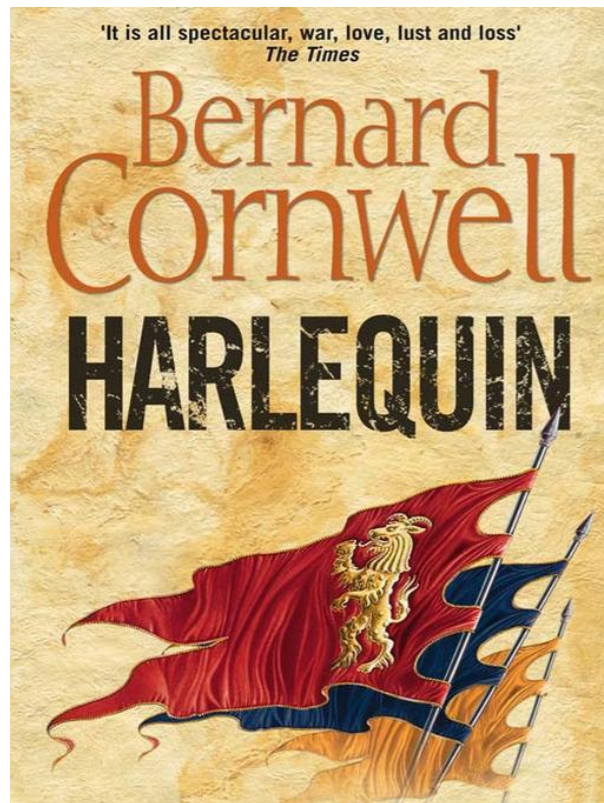

Psychology Teacher

Interviewed by Tristan and Emma

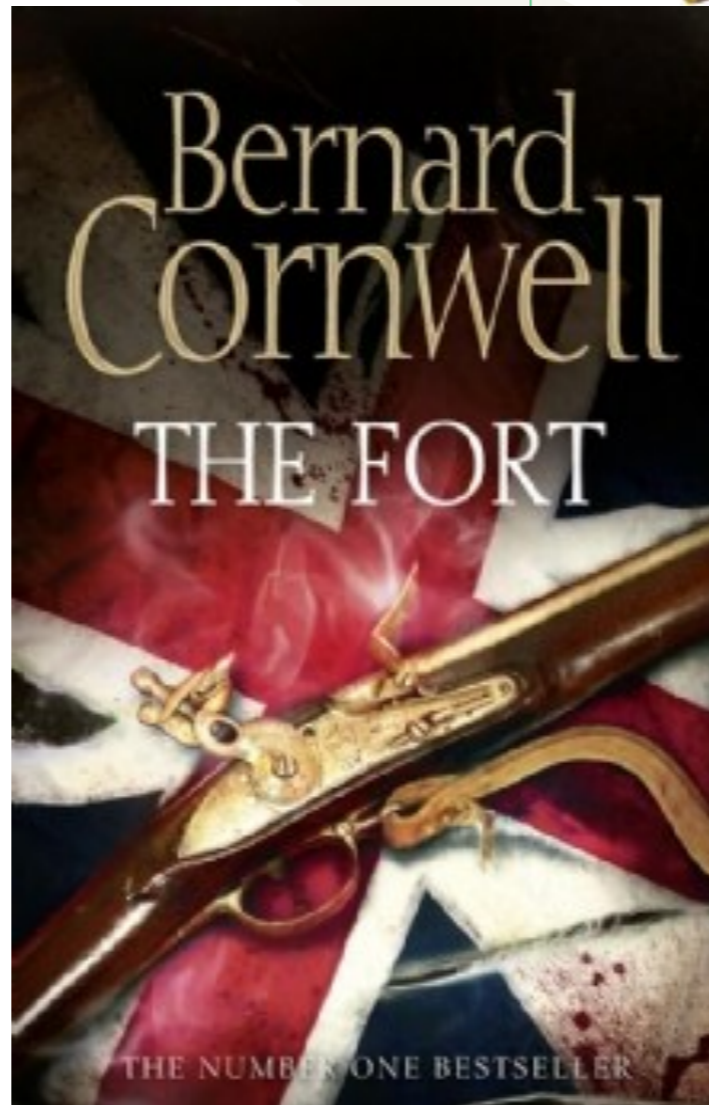

What sort of reading do you do for pleasure now?

I try to read in the holidays, and usually read historical novels.

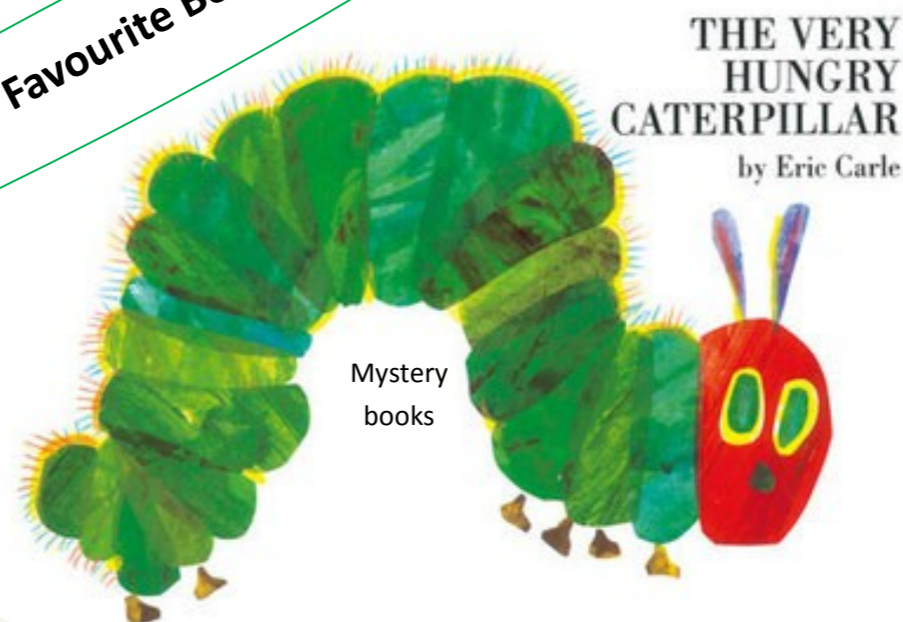

Currently (at time of interview) I am reading *Harlequin* by Bernard Cornwell

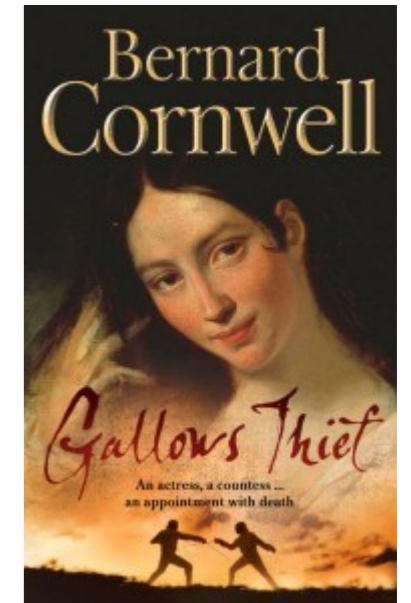

What are you reading at the moment?

What was your Favourite Book as a Child?

Mystery books

What have you enjoyed reading in the past?

I have enjoyed reading many different books over the last five years, and different genres. Some of these genres include - Medieval and Modern History. I can't really pin down all the books I have read into a single favourite, but some of the books I have most enjoyed are, Christian Appy's *Vietnam War* and any book written by Bernard Cornwell

Why does reading for pleasure matter to me?
I read for pleasure to get some variety in my life instead of spending all my time teaching.
