Can you remember when you first learnt to read and who taught you?

I can't remember when it was, but I think that my mum taught me.

What was your favourite book as a child and why?

Harry Potter and the Philosopher's Stone, which had only just been published. I like the thought that there is another world within ours.

Historical novels such as '*Birdsong*' and also lots of love stories.

What has been your favourite book of the last five years?

Birdsong by Sebastian Faulks, a drama set during World War I.

What (if anything) are you reading at the moment?

Human Traces by Sebastian Faulks. He is one of my favourite authors!!!

Why does reading for pleasure matter to you?

I like the escapism out of the real world, but most of all I just enjoy it!
