

Mr Fudger

Can you remember when you first learnt to read and who taught you?

I was three or four years old when my parents taught me to read.

What was your favourite book as a child and why?

I loved the 'Famous Five' series as a child, I read them regularly.

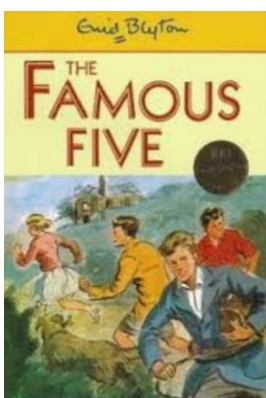

What sort of reading do you do for pleasure now?

My favourite reads now are 'The Private Eye' and 'PC Pro' magazines.

What has been your favourite book of the last 5 years?

The Jason Bourne series of titles on audio book kept me interested when I was regularly driving long journeys a while back.

Why does reading for pleasure matter for you?

It would if I had time to do it. Young children at home and schoolwork leaves me little time!
