September 2017

Dear Parent/Guardian

Parent Screening - Embrace

A brief reminder that tickets are available for the screening of the documentary film *Embrace* on Wednesday 11 October. Tickets cost £5 and all proceeds will go to the school.

The trailer provides more information about the content and the tone of the film – [click here](#). The aim of our focus is to encourage all members of our school community to reflect on the way that they talk and think about body image, whether their own or others. Although this documentary focuses on issues relating to women the target audience is certainly not a purely female one. As we are aware, issues surrounding body image relate to men as well as women and I would strongly recommend male friends and relatives watching.

The screening will take place in the Cottrill Hall from 18:30 until 20:30, doors will open at 18:00.

Tickets will cost £5 and can be purchased via your [ParentPay](#) account: there are 220 seats available. The deadline for buying tickets is Monday 9 October. There will be a bar to purchase drinks and snacks on the evening. All proceeds from the event will go to the school.

Yours faithfully

Mrs Robinson
Head of Student Personal Learning
