May 2017

Dear Parent/Guardian

Y10 German STEM Trip to London

On **Friday 26th May 2017** I intend to take a group of Y10 German students to attend a STEM workshop at the Goethe Institute in London as part of our PASCH project. It is a workshop conducted in German by German scientists and innovators in STEM.

If your son/daughter is interested in attending, please complete the consent form below and return to your child's German teacher or to the MFL office by Friday 19th May 2017

For staffing reasons, there is a limit on the number of students we can take, so if the trip is oversubscribed we will hold a random ballot.

The trip is fully funded by the Goethe Institute as part of our relationship with them under the PASCH project, and there will be no cost for students apart from a small amount of spending money for meals and sundries.

At the workshop, students will have the opportunity to partake in experiments and workshops with instructions in German.

We expect to leave school at about 7.45 am and return by 8pm, although precise timings will be confirmed in due course.

Please do not hesitate to contact me via the school if you have any questions.

Yours faithfully

Mrs Bentall

Teacher of German
