January 2017

Dear Parent/Guardian

Higher Education Exhibition at Westpoint, Exeter – Tuesday 21 March 2017

Our trip to the above Exhibition is scheduled for all Year 12 students. This UCAS-run event includes stalls for a wide range of Higher Education establishments with talks and seminars on various issues.

Transport has been arranged to take the students to Westpoint: departing from school at 9.15am and returning to school by 2.20pm.

The cost for the trip is £10.00; please make a voluntary payment via your [ParentPay](#) account by Friday 17 February 2017; you will be asked to give consent for your son/daughter taking part in this activity as part of the payment process.

Students should bring a rucksack or other suitable bag to carry prospectuses in. Food can be purchased at the venue or students should bring a packed lunch. Students do not need to wear school uniform.

Unfortunately, due to circumstances outside of our control, the Exhibition date clashes with work experience for A-level French students, who will be in Quimper. However there are alternative UCAS Higher Education Exhibitions that can be attended by students whom this affects. Details can be found here on the [UCAS website](#). If these students wish to attend an alternative exhibition please inform us in advance.

Yours faithfully

Mr S Smith
Head of Sixth Form
